Wash Caps - laundry capsules - 1.4 kg - 80 caps

GENERAL

NL/015/002

Universal laundry capsules for household and semi-industrial machines.
- Excellent stain removal even at low temperatures
- Suitable for white and colorfast laundry
- Easy and safe dosage
- Contains no optical brighteners
- Contains enzymes and oxygen based bleach
- Leaves a long-lasting, fresh fragrance
- EU Ecolabel

Greenspeed Wash Caps are ecological washing capsules with powder for professional use. The Wash Caps give excellent washing results even at low temperatures. The formula is enriched with enzymes which easily removes all grease, protein or starchy stains. The capsules are easy and safe to dispense in household or semi-industrial machines. Wash Caps are free of chlorine or other halogen compounds, phosphates or poorly biodegradable phosphate substitutes, and optical brighteners. All detergents used are of vegetable origin. All ingredients of non-mineral origin are fully biodegradable.

pH	9.5
Cleaning Power	Very powerful

USAGE

Place the capsule(s) in the wash drum and add the laundry on top. Use a dose appropriate to the load, degree of soiling and water hardness. Choose a wash program with the lowest possible temperature.

<5 kg laundry: 1 capsule
5-6 kg laundry: 2 capsules
+6 kg laundry / very hard water / very heavy soiling: 3 capsules

Store in a dry place and close after use. Not suitable for wool and silk.

Only use this product for its specified purposes. If in doubt, first test the product in an inconspicuous area. Greenspeed is not responsible for any damages if the product is used incorrectly. Consult the Safety Data Sheet (SDS) for additional information.
